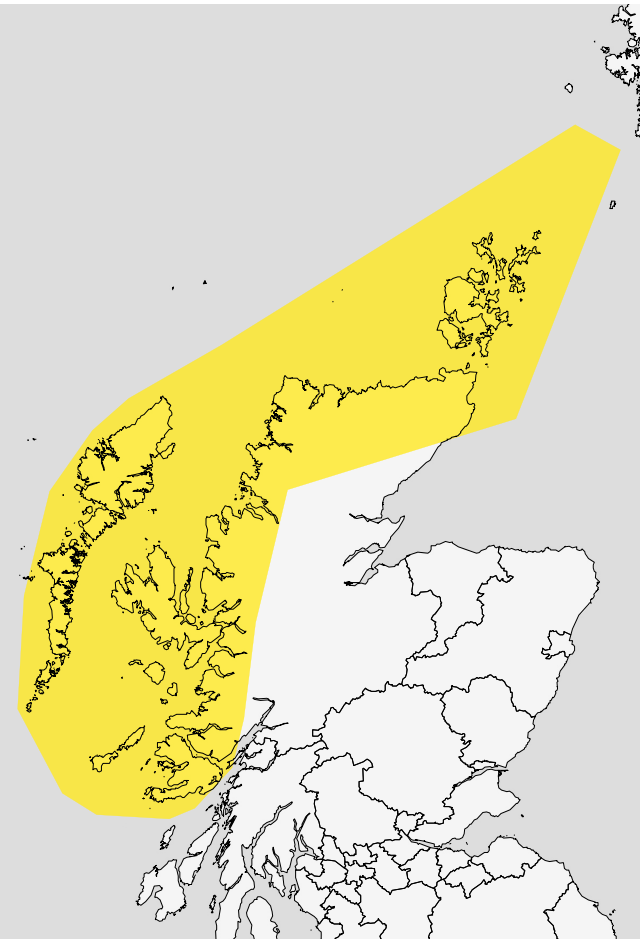
Yellow warning
**Snow & Ice**

Between
**17:00 Tue 14 Mar 2023** and
**10:00 Wed 15 Mar 2023**



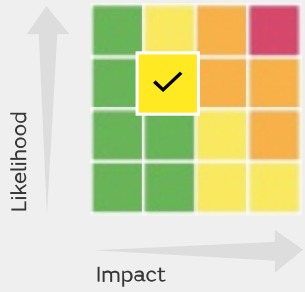
## Further sleet and snow showers and icy patches likely

### What to expect

- Some roads likely to be affected with longer journey times by road, bus and train services
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths

### Further details

Sleet and snow showers will continue to affect parts of the Hebrides, the north of mainland Scotland and, more especially, Orkney overnight, which may lead to some icy patches and perhaps a few cm of fresh snow. Conditions will also turn very windy for a time across Orkney this evening when showers will be accompanied by gales.



✓ Medium likelihood of low impacts
